

SLIMLINE 1U™ AUDIO

Rack Drawer Flip-up LCD Monitor/Keyboard/Trackball Configured for Multimedia Applications

In addition to its standard flip-up display with integral keyboard and trackball, our rugged SlimLine 1U features stereo speakers and a built-in headphone jack.

At only one rack unit high (1.75"), the compact design and industrial durability combine with General Digital's legendary configuration control and long product life cycles to create the ideal rack mount solution for network administration, telecommunications, mobile and tactical applications, and much more.

The SlimLine 1U Audio includes a 3.5 mm headphone jack next to the trackball
